

## INDEX TO VOLUME 64

This volume of the *American Journal of Orthopsychiatry* is indexed by SUBJECTS and AUTHORS.

### SUBJECTS

#### Abortion

Patterns of consultation among adolescent minors obtaining an abortion, 310

#### Adolescence

Continuity and discontinuity in the affective experiences of parents and children: Evidence from the New York Longitudinal Study, 112

Impact of parental terminal cancer on adolescents, 604

Predicting elopement from residential treatment centers, 126

Problem-solving appraisal in suicide ideators and attempters, 136

Psychological correlates of help-seeking attitudes among children and adolescents, 586

Resilient early school-age children from maltreating homes: Outcomes in late adolescence, 301

Self-perception and adolescent psychopathology: A clinical-developmental perspective, 293

#### Adolescent Pregnancy/Parenting

Dyadic affect regulation in three caregiving environments, 263

Patterns of consultation among adolescent minors obtaining an abortion, 310

Perceptions of pregnancy risk: A comparison by class and race, 479

#### Adoption

International adoption of children with siblings, 252

#### AIDS

HIV-infected child: Parental responses and psychosocial implications, 485

#### American Orthopsychiatric Association

Editorial, 506

In Parting [Editorial], 6

On Arrival [Editorial], 7

President, American Orthopsychiatric Association, 1994-1995, 338

#### Attention Deficit Disorder

Antisocial disorders in hyperactive subjects from childhood to adulthood: Predictive factors and characterization of subgroups, 510

Children at risk: Fostering resilience and hope, 545

Comparison of boys and girls with attention problems: Kindergarten through second grade, 522

Diagnostic issues and therapeutic interventions for children at risk: Introduction, 508

#### Behavior Problems

Antisocial disorders in hyperactive subjects from childhood to adulthood: Predictive factors and characterization of subgroups, 510

Children at risk: Fostering resilience and hope, 545

Comparison of boys and girls with attention problems: Kindergarten through second grade, 522

Diagnostic issues and therapeutic interventions for children at risk: Introduction, 508

Refugee patients and the practice of deception, 368

Risk and protective factors for disruptive behavior disorders in children, 534

Temperament-induced father-son family dysfunction: Etiological implications for child behavior problems and substance abuse, 280

#### Bereavement

Impact of parental terminal cancer on adolescents, 604

Preventive intervention groups for parentally bereaved children, 594

#### Child Abuse/Neglect

Resilient early school-age children from maltreating homes: Outcomes in late adolescence, 301

Separation experience of children in long-term care: Theory, research, and implications for practice, 421

#### Child Care/Day Care

Investigation of familial and school-based risk factors for Hispanic Head Start children, 456

Psychotherapeutic intervention with mothers and children in day care, 60

#### Child Custody

Psychosocial coping resources in elementary school-age children of divorce, 554

#### Child Development/Rearing

Age and family burden among parents of offspring with severe mental illness, 435

Antisocial disorders in hyperactive subjects from childhood to adulthood: Predictive factors and characterization of subgroups, 510

Attachment theory and research: Application to clinical practice, 404

Children at risk: Fostering resilience and hope, 545

Comparison of boys and girls with attention problems: Kindergarten through second grade, 522

Diagnostic issues and therapeutic interventions for children at risk: Introduction, 508

Dyadic affect regulation in three caregiving environments, 263

Effects of military-induced separation on family factors and child behavior, 103

Impact of parental terminal cancer on adolescents, 604

International adoption of children with siblings, 252

Machismo in two cultures: Relation to punitive child-rearing practices, 386

Maternal sensitivity in the second year: Gender-based relations in the dyadic balance of control, 78

## INDEX TO VOLUME 64

Machismo in two cultures: Relation to punitive child-rearing practices, 386

Maternal sensitivity in the second year: Gender-based relations in the dyadic balance of control, 78

- Physical restraint of children: Is it therapeutic?, 40
- Playing to grow: A primary mental health intervention with Guatemalan refugee children, 346
- Prenatal cocaine exposure and childhood psychopathology: A developmental analysis, 9
- Preventive intervention groups for parentally bereaved children, 594
- Psychosocial coping resources in elementary school-age children of divorce, 554
- Raising grandchildren from crack-cocaine households: Effects on family and friendship ties of African-American women, 20
- Resilient early school-age children from maltreating homes: Outcomes in late adolescence, 301
- Risk and protective factors for disruptive behavior disorders in children, 534
- Self-perception and adolescent psychopathology: A clinical-developmental perspective, 293
- Sex-role socialization: Developmental influences on wife abuse, 50
- Temperament-induced father-son family dysfunction: Etiological implications for child behavior problems and substance abuse, 280

# **Child Psychiatry**

- Clinical, sociodemographic, and systems risk factors for attrition in a children's mental health clinic, 577
- Physical restraint of children: Is it therapeutic?, 40
- Playing to grow: A primary mental health intervention with Guatemalan refugee children, 346
- Prenatal cocaine exposure and childhood psychopathology: A developmental analysis, 9
- Separation experience of children in long-term care: Theory, research, and implications for practice, 421

# **Child Welfare**

- International adoption of children with siblings, 252
- Separation experience of children in long-term care: Theory, research, and implications for practice, 421

# **Chronic Mental Illness**

- Age and family burden among parents of offspring with severe mental illness, 435
- Substance use among the mentally ill: Prevalence, reasons for use, and effects on illness, 30

# **Clinic Operation**

- Clinical, sociodemographic, and systems risk factors for attrition in a children's mental health clinic, 577

# **Community Mental Health**

- Home visitation services for at-risk pregnant and postpartum women: A randomized trial, 468
- Law and the delivery of mental health services in the community, 194

# **Coping/Resilience**

- Children at risk: Fostering resilience and hope, 545
- Problem-solving appraisal in suicide ideators and attempters, 136
- Psychosocial coping resources in elementary school-age children of divorce, 554
- Psychological correlates of help-seeking attitudes among children and adolescents, 586

- Resilient early school-age children from maltreating homes: Outcomes in late adolescence, 301
- Risk and protective factors for disruptive behavior disorders in children, 534
- Social-psychological dilemmas and coping of atomic veterans, 651
- Stress and adaptation in Orthodox Jewish families with a disabled child, 376

# **Cross-Cultural/Sociocultural Issues**

- Chronic illness in Lebanese preschoolers: Impact of illness and child temperament on the family, 396
- Compensation and psychic trauma: A study of Israeli combat veterans, 91
- International adoption of children with siblings, 252
- Machismo in two cultures: Relation to punitive child-rearing practices, 386
- Mental health and the melting pot: An introduction, 342
- Perceptions of pregnancy risk: A comparison by class and race, 479
- Playing to grow: A primary mental health intervention with Guatemalan refugee children, 346
- Public outpatient mental health services: Use and outcome among Asian Americans, 448
- Refugee patients and the practice of deception, 368
- Treatment and rehabilitation of the seriously mentally ill in China: Impressions of a society in transition, 68

# **Dependency**

- Adaptive and maladaptive aspects of dependency: An integrative review, 622
- Role of gender in dependency: An invited commentary, 636

# **Diagnosis and Classification**

- Attachment theory and research: Application to clinical practice, 404
- Diagnostic issues and therapeutic interventions for children at risk: Introduction, 508

# **Divorce**

- Psychosocial coping resources in elementary school-age children of divorce, 554

# **Eating Disorders**

- Psychological distress in husbands of eating disorder patients, 270

# **Emotional Disturbance**

- Children at risk: Fostering resilience and hope, 545
- Diagnostic issues and therapeutic interventions for children at risk: Introduction, 508
- From paternalism to partnership: Family and professional collaboration in children's mental health, 564

# **Ethnicity/Race/Minorities**

- Investigation of familial and school-based risk factors for Hispanic Head Start children, 456
- Machismo in two cultures: Relation to punitive child-rearing practices, 386
- Mental health and the melting pot: An introduction, 342
- Raising grandchildren from crack-cocaine households: Effects on family and friendship ties of African-American women, 20

- Stress and adaptation in Orthodox Jewish families with a disabled child, 376  
 When a man encounters a woman, Satan is also present: Clinical relationships in Bedouin society, 357

### Families

- Age and family burden among parents of offspring with severe mental illness, 435  
 Chronic illness in Lebanese preschoolers: Impact of illness and child temperament on the family, 396  
 Continuity and discontinuity in the affective experiences of parents and children: Evidence from the New York Longitudinal Study, 112  
 Effects of military-induced separation on family factors and child behavior, 103  
 From paternalism to partnership: Family and professional collaboration in children's mental health, 564  
 HIV-infected child: Parental responses and psychosocial implications, 485  
 Impact of parental terminal cancer on adolescents, 604  
 International adoption of children with siblings, 252  
 Investigation of familial and school-based risk factors for Hispanic Head Start children, 456  
 Preventive intervention groups for parentally bereaved children, 594  
 Psychosocial coping resources in elementary school-age children of divorce, 554  
 Raising grandchildren from crack-cocaine households: Effects on family and friendship ties of African-American women, 20  
 Stress and adaptation in Orthodox Jewish families with a disabled child, 376  
 Temperament-induced father-son family dysfunction: Etiological implications for child behavior problems and substance abuse, 280

### Family Violence

- Sex-role socialization: Developmental influences on wife abuse, 50

### Fathers

- Effects of military-induced separation on family factors and child behavior, 103  
 Temperament-induced father-son family dysfunction: Etiological implications for child behavior problems and substance abuse, 280

### Foster Care

- Separation experience of children in long-term care: Theory, research, and implications for practice, 421

### Gender

- A comparison of boys and girls with attention problems: Kindergarten through second grade, 522  
 Maternal sensitivity in the second year: Gender-based relations in the dyadic balance of control, 78  
 Role of gender in dependency: An invited commentary, 636  
 Sex-role socialization: Developmental influences on wife abuse, 50

### Group Treatment

- Preventive intervention groups for parentally bereaved children, 594

### Hospital Psychiatry

- Law and the delivery of involuntary mental health services, 209  
 Self-perception and adolescent psychopathology: A clinical-developmental perspective, 293  
 Treatment and refusal rights in mental health: Therapeutic justice and clinical accommodation, 223

### Immigrants

- Playing to grow: A primary mental health intervention with Guatemalan refugee children, 346  
 Refugee patients and the practice of deception, 368

### Law/Legislation

- Law and the delivery of involuntary mental health services, 209  
 Law and the delivery of mental health services in the community, 194  
 Liability and mental health services, 235  
 Mental health law and mental health care: Introduction, 172  
 Privacy, confidentiality, and privilege in psychotherapeutic relationships, 180  
 Treatment and refusal rights in mental health: Therapeutic justice and clinical accommodation, 223

### Learning Problems/Language Disorders

- Children at risk: Fostering resilience and hope, 545

### Marriage

- Early psychological tasks of marriage: Part I, 640  
 Emotional well-being of separated and married women: Long-term follow-up study, 150  
 Psychological distress in husbands of eating disorder patients, 270  
 Sex-role socialization: Developmental influences on wife abuse, 50

### Men

- Psychological distress in husbands of eating disorder patients, 270  
 Sex-role socialization: Developmental influences on wife abuse, 50  
 Social-psychological dilemmas and coping of atomic veterans, 651  
 When a man encounters a woman, Satan is also present: Clinical relationships in Bedouin society, 357

### Mental Health Care System

- From paternalism to partnership: Family and professional collaboration in children's mental health, 564  
 Law and the delivery of involuntary mental health services, 209  
 Law and the delivery of mental health services in the community, 194  
 Liability and mental health services, 235  
 Mental health law and mental health care: Introduction, 172  
 Public outpatient mental health services: Use and outcome among Asian Americans, 448  
 Treatment and refusal rights in mental health: Therapeutic justice and clinical accommodation, 223  
 Treatment and rehabilitation of the seriously mentally ill in China: Impressions of a society in transition, 68

# **Mother-Child Relationship**

Dyadic affect regulation in three caregiving environments, 263

Maternal sensitivity in the second year: Gender-based relations in the dyadic balance of control, 78

Psychotherapeutic intervention with mothers and children in day care, 60

# **Outpatient Care**

Clinical, sociodemographic, and systems risk factors for attrition in a children's mental health clinic, 577

Public outpatient mental health services: Use and outcome among Asian Americans, 448

# **Patient's Rights**

Law and the delivery of involuntary mental health services, 209

Treatment and refusal rights in mental health: Therapeutic justice and clinical accommodation, 223

# **Physical Disability/Illness**

Chronic illness in Lebanese preschoolers: Impact of illness and child temperament on the family, 396

Impact of parental terminal cancer on adolescents, 604

Stress and adaptation in Orthodox Jewish families with a disabled child, 376

# **Poverty**

Home visitation services for at-risk pregnant and postpartum women: A randomized trial, 468

Investigation of familial and school-based risk factors for Hispanic Head Start children, 456

Socioenvironmental and individual correlates of psychological adjustment in low-income single mothers, 317

# **Pregnancy**

Home visitation services for at-risk pregnant and postpartum women: A randomized trial, 468

Patterns of consultation among adolescent minors obtaining an abortion, 310

Prenatal cocaine exposure and childhood psychopathology: A developmental analysis, 9

# **Prevention**

Diagnostic issues and therapeutic interventions for children at risk: Introduction, 508

Preventive intervention groups for parentally bereaved children, 594

Psychotherapeutic intervention with mothers and children in day care, 60

# **Professional Ethics**

Privacy, confidentiality, and privilege in psychotherapeutic relationships, 180

When a man encounters a woman, Satan is also present: Clinical relationships in Bedouin society, 357

# **Professional Training/Supervision**

Psychotherapist reactions to the suicide of a patient, 614

# **Psychotherapy**

Attachment theory and research: Application to clinical practice, 404

Liability and mental health services, 235

Mental health and the melting pot: An introduction, 342

Privacy, confidentiality, and privilege in psychotherapeutic relationships, 180

Psychotherapeutic intervention with mothers and children in day care, 60

Psychotherapist reactions to the suicide of a patient, 614

Refugee patients and the practice of deception, 368

When a man encounters a woman, Satan is also present: Clinical relationships in Bedouin society, 357

# **Residential Treatment**

Physical restraint of children: Is it therapeutic?, 40

Predicting elopement from residential treatment centers, 126

# **Runaways**

Predicting elopement from residential treatment centers, 126

# **Schizophrenia**

Psychosis as precipitating trauma for PTSD: A treatment strategy, 493

# **Single Parents**

Socioenvironmental and individual correlates of psychological adjustment in low-income single mothers, 317

# **Social Behavior**

Antisocial disorders in hyperactive subjects from childhood to adulthood: Predictive factors and characterization of subgroups, 510

Sex-role socialization: Developmental influences on wife abuse, 50

Social-psychological dilemmas and coping of atomic veterans, 651

When a man encounters a woman, Satan is also present: Clinical relationships in Bedouin society, 357

# **Social Policy**

Law and the delivery of involuntary mental health services, 209

Law and the delivery of mental health services in the community, 194

Treatment and refusal rights in mental health: Therapeutic justice and clinical accommodation, 223

# **Social Support/Networks**

Patterns of consultation among adolescent minors obtaining an abortion, 310

Raising grandchildren from crack-cocaine households: Effects on family and friendship ties of African-American women, 20

Socioenvironmental and individual correlates of psychological adjustment in low-income single mothers, 317

# **Stress/Trauma**

Compensation and psychic trauma: A study of Israeli combat veterans, 91

Impact of parental terminal cancer on adolescents, 604

Preventive intervention groups for parentally bereaved children, 594

Psychological distress in husbands of eating disorder patients, 270

Psychosis as precipitating trauma for PTSD: A treatment strategy, 493

Psychotherapist reactions to the suicide of a patient, 614

Social-psychological dilemmas and coping of atomic veterans, 651

Stress and adaptation in Orthodox Jewish families with a disabled child, 376

#### **Substance Abuse**

Prenatal cocaine exposure and childhood psychopathology: A developmental analysis, 9

Raising grandchildren from crack-cocaine households: Effects on family and friendship ties of African-American women, 20

Substance use among the mentally ill: Prevalence, reasons for use, and effects on illness, 30

Temperament-induced father-son family dysfunction: Etiological implications for child behavior problems and substance abuse, 280

#### **Suicide**

Problem-solving appraisal in suicide ideators and attempters, 136

Psychotherapist reactions to the suicide of a patient, 614

#### **Temperament**

Chronic illness in Lebanese preschoolers: Impact of illness and child temperament on the family, 396

Temperament-induced father-son family dysfunction: Etiological implications for child behavior problems and substance abuse, 280

#### **War**

Compensation and psychic trauma: A study of Israeli combat veterans, 91

Effects of military-induced separation on family factors and child behavior, 103

Psychosis as precipitating trauma for PTSD: A treatment strategy, 493

Social-psychological dilemmas and coping of atomic veterans, 651

#### **Women**

Emotional well-being of separated and married women: Long-term follow-up study, 150

Home visitation services for at-risk pregnant and postpartum women: A randomized trial, 468

Raising grandchildren from crack-cocaine households: Effects on family and friendship ties of African-American women, 20

Socioenvironmental and individual correlates of psychological adjustment in low-income single mothers, 317

When a man encounters a woman, Satan is also present: Clinical relationships in Bedouin society, 357
